Welcome

This guide will help you through the registration process at Kuskokwim Campus (KuC). Please be aware of all details and deadlines for registration and financial aid. Your university enrollment is something to take seriously.

The Kuskokwim Campus

Land Acknowledgement

The Kuskokwim Campus (KuC), University of Alaska Fairbanks occupies the Indigenous and traditional lands of the Yup'ik and Cup'ik peoples in the Southwest region of Alaska.

We at KuC honor, recognize, and respect the Indigenous communities and the land of the Yukon-Kuskokwim Delta region and throughout the state of Alaska.

Registration, step by step

First, speak with a KuC advisor. It's important that you connect with an advisor before you register so you're aware of course details, modes of delivery, and required course supplies. email: Kuskokwim-SS-Dept@alaska.edu

1. To enroll in courses, you may need to take a placement test or provide placement documentation. Students must email to request a placement test: uaf-kuc-test-center@alaska.edu. Placement testing can be arranged in your community.
2. Based on your testing placement and potential funding, you will be advised on what courses to enroll into and work out a class schedule with your advisor.
3. With advisor approval, register for your courses. You may be able to register online through your student account at UAOnline: <https://uaonline.alaska.edu>, via fax (907-543-4527), through your advisor, or at Kuskokwim Campus.

4. Verify your enrollment in your secure student account at UAOnline (link above).
5. Order your textbooks! See page 6 for details.
6. Line up financial aid and funding sources. (See pages 6-7 to get started). Scholarship agencies require a copy of your enrollment. Find this at your online student account.
7. Make a note of the first day of class and talk to your advisor about student support resources.
8. Confirm your enrollment and financial aid status in your online student account (UAOnline).
9. Attend the first day of class! Be on time!
10. Drop and withdraw dates are important to keep in mind throughout the semester. (See page 3).

TIME TO ORDER TEXTBOOKS. HERE'S HOW

Once you've registered, you need to order textbooks. Students can order books through the UAF Bookstore. You might choose to purchase books through another bookseller, but you first need to visit the UAF Bookstore web site to find out what books you need.

Note the department, course number, and section number for each of your courses.

Then:

- Go to <https://bkstr.com/alaskafairbanksstore>
- Point to "Textbooks" near upper left of the screen
- Select your term (semester)
- Have the CRN? Click "Shop By Course ID"
 - Enter CRN and click "Find Materials for Course"
 - No CRN? Click "Shop By Course"
 - Enter your department
 - Enter your course
 - Enter your section
 - Click "Find Materials for Course"

View the list of books and materials. You might be able to buy used or new books. It's also possible to rent textbooks.

Textbook ordering tips and tricks:

1. Call for help. Need help ordering books or figuring out how to pay? You can call the UAF Bookstore: 1-888-280-8500 or contact a Kuskokwim Campus advisor for help.
2. Find your required books by ISBN #. Even if you're purchasing or renting your textbook through an alternate book seller, use the UAF Bookstore website to locate the specific class and instructor. Not all instructors use the same books for the same course. Make sure the information you're finding is specific to your class and instructor.
3. Save all return label and packaging supplies. Often bookstores or textbook rental sites have deadlines for book return. Pay attention! and make sure to return in time in order to receive your refund. At the <https://bkstr.com/alaskafairbanksstoresite>, click on "Textbooks" to get started.

FINANCIAL AID FACTS: SHOW ME THE \$!

A concern for most college students is how they will pay for classes. Searching for, identifying, and applying for funds is hard work—but it pays off!

The Yukon-Kuskokwim region is very supportive of higher education pursuits. Apply on time for funding so that you can be considered for all aid available. You should pursue all possible scholarships before seeking an educational loan or borrowing money. If you need financial aid applications, help or advising, contact your Kuskokwim Campus advisor (see page 2).

Is federal student aid available?

The first step in your search for financial aid is completing the Free Application for Federal Student Aid, or FAFSA. Note that timing is key with FAFSA. The earlier you apply (after October 1 of the year before the academic year in which you'll enroll), the more likely it is that funds will be available.

Note: Beware of web sites that charge to help students complete the FAFSA.

You can apply for free at www.fafsa.ed.gov.

PLEASE NOTE: Some regional scholarship deadlines have changed! Check out the chart below and apply on time!

What else do I need to know?

- It is your responsibility to ensure that all financial aid forms and documents are submitted to the UAF financial aid office by the deadline. If you need help with the financial aid process or have questions about funding options, contact your academic advisor.
- Your classes must be paid for by the fee payment deadline of **September 9** to avoid paying late fees.
 - After all fees, books and tuition have been paid, any remaining funds will be refunded to you via a check in the mail to your mailing address or by direct deposit to your bank account.
- Verify your financial aid status by checking your student account online at <http://uaonline.alaska.edu>.
- Get reminders and additional opportunities through the UAF Kuskokwim Campus.

Update student account information online

It is your responsibility to keep your mailing and email addresses and phone number updated on UAOnline, so that you receive important communication from Kuskokwim Campus and UAF.

Use your UAF student email account

Every UAF student is assigned an official UAF email account upon enrollment. Email is the only way some information is distributed from UA. You are responsible for knowing and acting on the contents of all university communications sent to your official UAF email account.

Make sure you see these emails. Here's how:

- > Check your UAF email account. Not sure how to access it? Go to alaska.edu/google.
- > You can forward mail from your UAF account to an email address you check frequently. Learn how here:

www.alaska.edu/google/faqs/top/ (click on "How do I forward my email to another account?").

Attend class

You might be dropped if you do not attend the first class and have not received prior approval from your instructor. *If you do not plan to attend, you must drop your classes **by Friday, September 9**, to avoid assessment of tuition and fees. The university will drop you from your classes for non-payment, but you will still be responsible for the cost of tuition and fee.*

Why is UAF using Canvas?

- Canvas supports the Chancellor's strategic goal to [modernize the student experience](#). It's more accessible for diverse learners.
- It has lighter bandwidth requirements, making it more available in rural areas (1/3 less than Blackboard).
- Many students are already familiar with the Canvas interface. The State of Alaska Department of Early Education and Development recently selected Canvas as the LMS for Alaska's K-12 schools.

What does this mean for students?

For the next few semesters, you may have courses on Blackboard and Canvas. For now, all of your courses, even if they are in Canvas, will be accessible via Blackboard.

Canvas as a learning management system (LMS)

UAF is currently adopting the learning management system (LMS) Canvas. Over the next few semesters, more and more of your UAF courses will use Canvas instead of [Blackboard](#).

You can check the delivery method of your courses by looking at the “location” column within your Concise Student Schedule at [UAOnline](#). Once logged in:

TITLE IX: KNOW YOUR RIGHTS AND RESPONSIBILITIES

"No person in the United States shall on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance. Title IX of the Education Amendments of 1972

The University of Alaska Board of Regents has clearly stated in policy that discrimination, harassment and violence will not be tolerated on any campus of the University of Alaska.

If you report discrimination, harassment or violence to any university employee, they must notify the university Title IX coordinator about basic facts of the incident.

Your choices for reporting include:

- You may access confidential counseling by contacting the Campus Health & Counseling Center;
- You may access support and file a Title IX report by contacting the UA Title IX Coordinator at 907-474-6600; **At KuC contact:** 907-543-4566
- You may file a criminal complaint with the University Police Department at 907-474-7721. Even if the incident occurred off

campus and the accused is not affiliated with UAF, the university must stop, remedy, investigate and prevent incidents by:

- Having an established procedure for handling complaints of sex discrimination.
- Offering remedies to the victim.
- Taking immediate action to ensure a victim can continue their education free of ongoing harassment or retaliation.

- If requested, a no-contact order can be enacted before a formal hearing (vs the legal process).
- UAF is committed to providing a safe and respectful campus environment free from gender-based violence and sexual harassment. The Title IX Office leads the effort to ensure UAF moves beyond mere compliance with civil rights laws to embodying the principles of respect and equality for all.

INTERESTED IN TEACHING? LET'S DO IT!

Do you have skills or knowledge that you'd like to teach to others? Consider becoming an adjunct instructor for UAF Kuskokwim Campus!

In order to meet the diverse needs of the Yukon Kuskokwim region, we rely heavily on adjunct instructors—part-time instructors who teach a limited number of courses.

Required credentials for instructors vary widely, depending on the subject to be taught. Some departments require instructors to have a master's degree. Some require a bachelor's degree. Some require no degree at all, but do require evidence of expertise in the subject matter to be taught (e.g. a certification, relevant

work experience, evidence of artwork created, etc.).

KuC adjuncts teach community interest courses, workforce training courses, and courses that are required for various degrees.

Remember to make sure you don't select two courses that meet in the same time slots! You might also want to jot down specific time periods in which you'll do homework for each course.
