## KuC Student Services Team

The Student Services team at KuC provides assistance to students with admission, registration, financial aid, academic and career advising. Students meet with our team prior to applying for admission and prior to registering for classes every semester. We also help advise them and connect them with resources throughout their time as a student. Our goal is to create a supportive community for our on-campus and distance students that ensures their success.

# FALL SEMESTER: GETTING STARTED!

This guide will help you through the registration process at Kuskokwim Campus. Please be aware of all details and deadlines for registration and financial aid. Your university enrollment is something to take seriously.

## Registration, step by step!

1. First, speak with a KuC advisor. It's important that you connect with an advisor before you register so that you are aware of course details, modes of delivery, and required course supplies. Email: [Kuskokwim-ss-dept@alaska.edu](mailto:Kuskokwim-ss-dept@alaska.edu)
2. To enroll in courses, you may need to take a placement test or provide placement documentation. Placement tests are non-proctored. The university uses ALEKS for math placement and EdReady for writing placement. To take your exams you must have your UA login credentials. Link for EdReady: <https://uaf.edu/admitted/placement.php>  
Link for ALEKS: <http://alaska.edu/aleks/>
3. Based on your testing placement and potential funding, you will be advised on what courses to enroll in and work out a class schedule with your advisor.
4. With your advisor approval, register for your courses. You may be able to register online through your student account at UAOnline: <https://alaska.edu/uaonline/>, scan/email registration form, or at Kuskokwim campus.
5. Verify your enrollment in your secure student account at UAOnline (link above).
6. Order your textbooks & material. See page 7 for details.
7. Secure financial aid and funding sources. (See page 11-12 to get started). Scholarship agencies require a copy of your enrollment. Find this at your UAOnline student account as well.
8. Make a note of the first day of class and talk to your advisor about student support resources.
9. Confirm your enrollment and financial aid status in your UAOnline student account.
10. Attend the first day of class! Be on time!
11. Drop and withdrawal dates are important to keep in mind throughout the semester. Find those dates on page 3.

## How do I browse available courses?

This guide is a great place to start. It includes Kuskokwim Campus courses and courses offered by distance from other rural campuses and the Fairbanks campus. To find the most current information across the University of Alaska system, check UAOnline:

- Login: <https://uaonline.alaska.edu>
- Scroll to "Student Services" and "Account Information"
- Select "Class Search"
- Select term in "Search by Term"
- Select from the "Campus" list or "UAF-all campuses"
- Make selections under "Subject"
- Click the "Class Search" button at bottom of screen
- Note the CRNs of the classes you want to take

If you don't find what you are looking for, contact a KuC advisor for help with your search.

Email: [Kuskokwim-SS-Dept@alaska.edu](mailto:Kuskokwim-SS-Dept@alaska.edu)

# ORDERING TEXTBOOKS

Once you've registered, you need to order textbooks. Students can order books through the UAF bookstore. You might choose to purchase books through another bookseller, but you first need to visit the UAF bookstore website to find out what books you need.

Note the department, course number, and section number for each of your courses, then:

- Go to <https://www.bkstr.com/alaskafairbanksstore/show/textbooks-and-course-materials>
- Select your term (semester)
- To 'shop by course ID' (if you have the CRN #) & click on "find materials for course"  
**OR**
- To 'shop by course' & enter the department, course, and section #. Click on "find materials for course"

View the list of books and materials. You might be able to buy/rent used or buy/rent new books. To rent a textbook you will need a credit card to complete your purchase. Renting requires mailing back textbooks at the end of the semester.

Textbook ordering tips and tricks:

1. Ask your advisor for help. You can also contact the UAF Bookstore at 1-888-280-8500 or 907-474-7348 or email [uaf@bkstr.com](mailto:uaf@bkstr.com)
2. If you do not want to order your textbooks from the UAF bookstore, you can search for your textbooks using the ISBN # through an alternative book seller. Not all instructors use the same books for the same course. Make sure the information you're finding is specific to your class and instructor.
3. Save all return labels and packaging supplies. Often bookstore and textbook rental sites have deadlines for book returns.

# STUDENT ACCOUNT RESOURCES

## Update student account information

It is your responsibility to keep your address, email, and phone number updated on UAOnline so that you receive important communication from UAF and KuC.

## Use your UAF student email account

Every UAF student is assigned an official UAF email account upon enrollment. Email is the only way some information is distributed from UA. You are responsible for knowing and acting on the contents of all university communications sent to your official UAF email account.

Make sure you see these emails. Here's how:

- Check your UAF email account. Not sure how to access it? Go to [alaska.edu/google](http://alaska.edu/google).
- You can forward mail from your UAF account to an email address you check frequently. Learn how here: [www.alaska.edu/google/faqs/top/](http://www.alaska.edu/google/faqs/top/) (click on "How do I forward my email to another account?").
- If for some reason you have multiple UAF email accounts (e.g. a student account and a staff account), forward them to the account you check most often.

## Attend class

You might be dropped if you do not attend the first class and have not received prior approval from your instructor. *If you do not plan to attend, you must drop your classes by Friday, September 8, to avoid assessment of tuition and fees. The university will drop you from your classes for non-payment, but you will still be responsible for the cost of tuition and fees.*

## Check your grades regularly and access your transcripts

Provided you do not have holds on your account, you can access your unofficial transcript, midterm and final grades at UAOnline.

Log in to UAOnline (<https://uaonline.alaska.edu>) secured area.

- Click on the following links:
  - "Student Services & Account Information"
  - "Student Records"

## TITLE IX: KNOW YOUR RIGHTS AND RESPONSIBILITIES

**If you SEE something, SAY something, DO something. #uafbesafe**

According to Title IX of the Education Amendments of 1972, "No person in the United States shall on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance".

The University of Alaska Board of Regents has clearly stated in policy that discrimination, harassment and violence will not be tolerated on any campus of the University of Alaska.

If you report discrimination, harassment or violence to any university employee, they must notify the university Title IX coordinator about basic facts of the incident.

Your choices for reporting include:

- You may access confidential counseling by contacting the Campus Health & Counseling Center; 907-474-5777
- You may access support and file a Title IX report by contacting the UA Title IX Coordinator at 907-474-6600;

**At KuC contact:** 907-543-4566

- You may file a criminal complaint with the University Police Department at 907-474-7721. Even if the incident occurred off campus and the accused is not affiliated with UAF, the university must stop, remedy, investigate and prevent incidents by:
- Having an established procedure for handling complaints of sex discrimination.
- Offering remedies to the victim.
- Taking immediate action to ensure a victim can continue their education free of ongoing harassment or retaliation.
- If requested, a no-contact order can be enacted before a formal hearing (vs the legal process).

- UAF is committed to providing a safe and respectful campus environment free from gender-based violence and sexual harassment. The Title IX Office leads the effort to ensure UAF moves beyond mere compliance with civil rights laws to embodying the principles of respect and equality for all.

# TUITION COSTS & FINANCIAL AID RESOURCES

A concern for most college students is how they will pay for classes. Searching for, identifying, and applying for funds is hard work—but it pays off!

The Yukon-Kuskokwim region is very supportive of higher education pursuits. Apply on time for funding so that you can be considered for all aid available. You should pursue all possible scholarships before seeking an educational loan or borrowing money. If you need financial aid applications, help or advising, contact your Kuskokwim Campus advisor.

## Is federal student aid available?

The first step in your search for financial aid is completing the Free Application for Federal Student Aid, or FAFSA. Note that timing is key with FAFSA. The earlier you apply (after **October 1** of the year before the academic year in which you'll enroll), the more likely it is that funds will be available.

*Note: Beware of web sites that charge to help students complete the FAFSA.*

You can apply for free at [www.StudentAid.gov](http://www.StudentAid.gov).

Apply online for the FASFA:  
[www.studentaid.gov](http://www.studentaid.gov)  
 UAF'S Title IV code  
 (required for the FAFSA): 001063

## What else do I need to know?

- It is your responsibility to ensure that all financial aid forms and documents are submitted to the UAF financial aid office by the deadline. If you need help with the financial aid process or have questions about funding options, contact your academic advisor.
- Your classes must be paid for by the fee payment deadline of **September 8** to avoid paying the late fees.
- Once all fees, tuition and textbooks have been paid, any remaining funds will be refunded to you via check in the mail to your mailing address or by direct deposit to your bank account.
- Verify your financial aid status by checking your student account online at <https://www.alaska.edu/uaonline/>
- Get reminders and additional opportunities through the UAF Kuskokwim Campus.

## What is the cost of taking courses?

Per credit tuition and UA fees appear on the chart below. Courses may also require textbooks, lab fees, material fees, or other fees – be sure to add those costs as well.

**Students are not considered registered until all tuition and fees are paid. Registered students may be dropped for non-payment if payment arrangements have not been made by Friday, September 8.**

2023-2024 UAF RESIDENT TUITION + FEES				
Course Level	Per-credit tuition	Network Charge	Rural Fee: \$21 Facilities fee: \$6	Example: 3-credit class
100 & 200 level courses	\$234	\$9	\$27	\$810*
300 & 400 level courses	\$289	\$12	\$27	\$984*
Graduate level courses	\$539	\$22	\$27	\$1,764

\*These examples do not include books, lab fee, etc.

## How do I know what I owe?

Stay on top of your bills to avoid late fees. An electronic bill will be emailed to you around the 15<sup>th</sup> of each month. It is your responsibility to check your UA email account regularly.

View your bills at UAOnline

- Go to <https://www.alaska.edu/uaonline/>
- Click "Log in" and sign into your student account
- Choose "Student Services & Account Information"
- Choose "Student Account:"
