### University of Alaska Fairbanks Alcohol Policy

Serving alcohol beverages at events on campus or at UAF events located off campus requires compliance with state laws and sensitivity to the public's perception of our institution. It is the university's desire to provide a safe and secure environment for all faculty, staff, students and visitors attending UAF events. All persons who consume alcohol beverages will do so in a responsible manner.

The sale and dispensing of alcohol beverages is regulated by the state Alcohol & Marijuana Control Office (AMCO). A state alcohol permit is required when alcohol is sold at a UAF event or an event held at a UAF facility. The UAF Alcohol Beverage Application must be approved by the Director of Dining Services and Contract Operations (as the Chancellor's designee). Additional approvals from Dean of Students, Risk Management and UAF Police Department may be sought as appropriate. Individuals serving alcohol must comply with AMCO laws and regulations.

Non-compliance can lead to arrest and fines. The Police Department or authorized university official can terminate an event if the alcohol permit is not displayed, if alcohol is served by anyone that does not have an approved alcohol server education card, or if alcohol is served to anyone under the age of 21. The university can take additional actions as deemed necessary. Sponsoring departments, organizations and individuals should be cognizant of vicarious liability and the consequences to the organization should a vicarious liability suite be filed against the university when a person, regardless of age, attending an event and consuming alcohol beverages is involved in an accident resulting in personal injury and/or death. Organization should also be aware of their exposure to legal risk when event sponsors permit the violation of laws concerning alcohol at their event. These laws include serving alcohol to minors and/or intoxicated individuals.

### University of Alaska Fairbanks Alcohol Procedures

Approval is required of the Chancellor or designee to serve alcohol on campus or at a UAF event off-campus. Anyone who intends to serve alcohol must submit a UAF Alcohol Beverage Application no less than 14 days prior to the event to the Director of Dining Services and Contract Operations, as the Chancellor's designee, at [uaf.aux@alaska.edu](mailto:uaf.aux@alaska.edu).

- UAF events and non-university events held at a UAF facility must comply with all Alcohol & Marijuana Control Office (AMCO) laws and regulations.
- Alcohol served at any event in a university facility is limited to beer and wine.
- An alcohol permit must be obtained for any event at which alcohol is either offered for sale or distributed. The Event Planner is responsible for completion of the UAF Alcohol Beverage Application, obtaining the alcohol permit from AMCO (if applicable) and proper display at the event.
- Access to all events where alcohol is served must be restricted to individuals 21 years of age or older, except when accompanied by parent, legal guardian or adult spouse. Alcohol beverages may NOT be served to anyone under the age of 21.
- Alcohol beverages must be served in a controlled environment and may not be removed from the room(s) or area(s) specified.
- Alcohol beverages must be served by UAF Dining Services or other licensed caterer, or by UAF employees assigned to the function. Any individual serving alcohol must complete an alcohol server education course approved by the AMCO.
- The event must be a private function (not open to the public) unless specifically approved by the Director of Dining Services and Contract Operations.
- If the applicant intends to charge those in attendance for alcohol beverages, the applicant must provide specific information as to the format (i.e. cash bar, ticket price). Admission charge for UAF events may not include the cost of the alcohol beverage that will be served, unless specifically approved by the Director of Dining Services and Contract Operations.
- Alcohol may not be the main focus of the event. Alcohol beverages will not be approved for functions at which alcohol is the inducement for attendance. Food and non-alcohol beverages must be provided and prominently displayed at the event. Large quantity containers of alcohol are not permitted. Contests involving the consumption of alcohol are not allowed. Events where alcohol beverages are to be served shall not be advertised or publicized. The use of symbols and pictures implying the presence of alcohol at an event is prohibited. Fund raising events involving alcohol, e.g., wine tasting, are required to meet the AMCO requirements.
- Warning signs are required to be displayed at all events serving alcohol beverages. Signs must be at least 11"x14" and lettering must be at least ½ inch in contrasting colors. It is the responsibility of the license holder to ensure that the following warning signs are displayed properly:
  - WARNING: Drinking alcohol beverages such as beer, wine, wine coolers and distilled spirits or smoking cigarettes during pregnancy can cause birth defects.*
  - WARNING: A person, who provides alcohol beverages to a person under 21 years of age, if convicted under AS 04.16.051, could be imprisoned for up to five year and fined up to \$50,000.*
  - WARNING: A person under 21 years of age, who enters these premises in violation of law under AS 04.16.049 (e), could be civilly liable for damages of \$1,500.*
- All invitations to UAF events where alcohol is to be served will include the following statement: "Attendees must be twenty-one (21) years old or older unless accompanied by parent, legal guardian, or adult spouse." At the option of the sponsor, such event may be restricted to individuals at least age 21 ("no minors under the age of 21").
- The area serving alcohol beverages must be roped off at any event where unaccompanied minors will be present.
- An authorized representative of the university must be present for the duration of the event to ensure all obligations specified in the application and permits are fulfilled.
- In cases where an individual becomes intoxicated, event sponsors will immediately alert the UAF Police Department to intervene and remove the person from the premises and prevent that individual from driving.
- Alcohol shall not be served at university functions or events designated for students unless approved by the Dean of Students (in addition to the other required approvals)
- The event planner is required to have the approved UAF Alcohol Beverage Application visible at the event.
- The Wood Center Pub will operate within its rules, policies and license.

The university reserves the right to amend this policy in accordance with the law, community standards or best interests of the university.
