

GENERAL EDUCATION REQUIREMENTS (GER)

ASSOCIATE OF ARTS DEGREE (AA)

EFFECTIVE FOR 2016-2017 CATALOG YEAR

General Education Requirements, or GER, are courses that are required for baccalaureate, associate of arts, and associate of science degrees at the University of Alaska Fairbanks.

Courses that may satisfy the GER have course numbers ending with X. For example, English F111X and Communication F141X meet specific GER communication requirements. Credit may be counted toward general education requirements or a degree major requirement, but not both. If additional courses are added to GER in later catalog years students may use them to fulfill a specific GER in the 2016-2017 catalog year or later. Students must earn a C- grade or higher in each course used to meet a GER.
