2024 Fall URSA Student Project Awards Request for Proposals (RFP)

Description:

Undergraduate students planning to pursue creative projects or conduct research during the Fall 2024 semester are invited to apply for funding.

- The limit for requests for both individuals is \$3,000 and groups (2 or more students) is \$6,000.
- Funds may be used for a fellowship, tuition (up to 4 credits for a course related to your project), travel to fieldwork location, and/or supplies and services.
- All funds must be spent by December 7, 2024 (end of award term).
- Students MAY NOT receive funding from URSA and another source (such as BLaST, INBRE, URISE, etc.) during the same semester. This is to allow the maximum number of students to receive funding during a given term.

The application deadline is Sunday, June 9, 2024 at 11:59 pm. Students will be notified by email on July 29, 2024.

Eligibility:

- 1) Students in any year of study, any discipline, and located at any UAF campus are eligible to apply.
- 2) Students must be degree-seeking and taking at least 3 credits during the award term.
- 3) Cumulative GPA of 2.3 or higher.
- 4) Students that have graduated are not eligible.
- 5) Mentors must be involved in the application process. They also need to complete the URSA Mentor Confirmation form by the application deadline (see URSA Resources>URSA Forms webpage).

Criteria for Selection:

Award selections will be based on:

- 1) Written quality of the proposal and quality of the work plan.
- 2) Intellectual merit and scholarly/creative contribution of the project and its potential outcomes.
- 3) Student learning outcomes articulated in the proposal.
- 4) Adequate involvement of an approved mentor as demonstrated in a mentoring plan.
- 5) Feasibility of completion within the given timeline.

Selections will be made by the URSA Review Panel and the URSA Director. Reviewers are from all disciplines - be sure to write for a general audience!
