

**University of Alaska Fairbanks
Wood Center Student Activities
Permit for Games of Chance & Skill Information Sheet**

Congratulations for choosing to conduct a raffle on campus!

A raffle is an excellent way to raise funds for your club or organization/department. It does take some planning and coordination, so please read the following prior to starting a raffle:

- If you are planning to conduct a raffle:
 - Contact Jen Peterman. at the Wood Center, jpgeterman@alaska.edu or 474-5943
 - Plan accordingly, a raffle can take up to two weeks to set up.
 - A raffle requires that someone, the treasurer, have a good handle on who's selling the tickets, how the money is deposited and to collect and save the receipts.
 - The State of Alaska requires a separate account set up for all raffle activity. This is a separate account from your permanent club account that you currently use. **THIS IS A MUST – THERE ARE NO EXCEPTIONS!**
 - The separate accounting information is only provided upon approval of the permit request.
 - No raffle purchases should be made until the request is approved and the accounting information is provided.
